

Monthly Memo

October 2026

Metzudah Maternity Supportive Housing

A Season of Strengthening Our Foundation

Before we welcome our next mothers and babies, we are intentionally pausing to strengthen the foundation beneath our ministry.

That means securing the right ministry insurance, strengthening our financial sustainability, and building a consistent team of staff and volunteers who can provide the stability our mothers deserve.

PRAY | GIVE | SERVE

Metzudah Monthly Financial Partners

Recurring monthly gifts allow us to plan responsibly, meet ongoing ministry expenses, and build a sustainable foundation for the mothers and babies God entrusts to us.

Whether it is \$25, \$50, \$100, or more each month, consistent giving helps create consistent care.

Adopt-A-Mom

For each mother we serve, approximately:

\$1,000/month — Direct Care Services

Case management, coaching, transportation support, life skills, mentoring, program support, and individualized care.

\$750/month — Room & Board

Safe housing, utilities, food, household needs, and day-to-day residential support.

\$500/year — Educational Resources

Parenting education, financial literacy, employment preparation, curriculum, workbooks, and other tools that help each mother prepare for long-term independence.

It takes a VILLAGE

CONSISTENT VOLUNTEERS NEEDED

We are looking for volunteers who can commit 4–6 hours each week, on the same day and during the same time each week, for a minimum three-month commitment. That consistency matters. Our mothers need familiar faces, predictable rhythms, and people they know they can count on—and so does our team.

We are not rushing this season. We are asking the Lord to provide the resources and the people necessary to serve well before we welcome new mothers and their babies.

We believe the harvest is plentiful—and we are praying for the workers and provision to steward it faithfully.

Prayer Corner

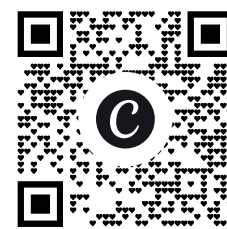

- Consistent volunteers who can serve 4–6 hours on the same day and time each week
- Unity among board, staff and volunteers
- Wisdom as we strengthen programming and daily rhythms
- Prepared hearts and a ready home for incoming Guests
- Peace and discernment for each woman considering Metzudah and our intake team
- Financial provision to support mothers, babies and our team
- Safe travel to Dallas, Texas, meaningful connections and wisdom for our team at the National Christian Housing Conference

Pray without ceasing.

1 Thessalonians 5:17
