

TRINITY
ON THE HILL

This Week's Word

1 Peter Chapter 4 - We should adopt the mindset of Christ by abandoning past sinful desires and using our spiritual gifts to serve one another and glorify God. We should not be surprised by painful trials but should instead rejoice in sharing Christ's sufferings, trusting their souls to a faithful Creator while doing good.

1 Peter Chapter 5 - Elders are exhorted to lead and care for God's people willingly, eagerly, and humbly, serving as examples rather than pursuing dishonest gain or abusing authority. All believers must humble themselves under God's hand and remain clear-minded and watchful against the devil, standing firm in their faith alongside the global church.

2 Peter Chapter 1 - Believers are exhorted to supplement their faith with virtues like knowledge, self-control, and love to confirm their divine calling.

Peter affirms the absolute truth of the gospel by recalling his eyewitness experience of Christ's majesty and validating Scripture as inspired by the Holy Spirit.

2 Peter Chapter 2 - Severe warnings are issued against destructive false prophets who secretly introduce heresies, exploit believers, and entice them back into sinful bondage. God's track record of punishing the ancient wicked while rescuing the godly, like Noah and Lot, guarantees that corrupt teachers will face final condemnation.

2 Peter Chapter 3 - Peter combats scoffers by explaining that the Lord is not slow in keeping His promise, but is patient so that everyone has time to repent before the day of judgment. Because the present cosmos will be dissolved by fire to make way for a righteous new heaven and earth, believers must strive to live holy and blameless lives.

1 John Chapter 1 - John testifies to the physical reality of Jesus Christ, the Word of life, so that believers may have true fellowship with the Father and His Son. God is light, and fellowship with Him requires confessing sins and walking in the light, which allows Christ's blood to cleanse all unrighteousness.

1 John Chapter 2 - Jesus serves as the perfect advocate and atoning sacrifice for sins, and true knowledge of Him is demonstrated by keeping His commandments and walking as He walked. Believers are warned to reject the fleeting desires of the world and to beware of antichrists, standing firm instead in the truth and the anointing received from God.

This Week's Reflections

What is God saying? How will I respond?
